

The Friends of Castle Parks Berwick partner with Northumberland County Council to maintain and enhance three of our local parks – our endeavours include hands-on gardening, fundraising, purchasing equipment and plants, and running free family events in the parks.

During our nine years, we have extended our remit in various ways – from working in the Rose Garden (Flagstaff Park) as well as Castle Vale and Coronation Parks to planting a community orchard (Countess of Buchan Way); and from creating a sculpture trail to installing a storage facility. Next on the agenda is a comprehensive composting scheme.

Your support – whether as a volunteer gardener, committee member, Open Gardener, visitor to the parks, donor or attendee at any of our events – is invaluable and I would like to say a heartfelt and personal ‘thank you’ to you.

However, our small community group is in need. If we are to continue the work we do, we need new faces on our committee.

We’re a friendly bunch and the work is not onerous. If you want to see the Friends blossom and grow, and you might have time to attend a handful of meetings a year and contribute your skills to the group’s work, please will you get in touch with me for a chat?

There are plenty of ways you can support us via the committee – you may want to help with one of our key events, for example – Winter Talks, Open Gardens, Plant Sale, Big Beastie Hunt, Easter Bunny Hunt... the list goes on.

Please email me direct on jax@kaineslang.com or phone me on 07958 203486. I’d love to hear from you.

With best wishes

Jackie

Chair of Friends of Castle Parks
